

Conor Daly wins Stars of Karting (East) TaG Championship

At the Snap on Stars of Karting event held at the USA Raceway in Schwano, WI over the weekend, Cytomax driver Conor Daly proved to be the dominant driver in the TaG class by scoring two pole positions, four fastest race laps and a first and second place finishes in the finals to clinch the Snap on Stars of Karting (East) TaG Championship. Driving an Italian build Top Kart for the first time in Stars competition, Conor showed his versatility during the difficult wet Sunday morning qualifying session where he qualified on the pole almost a full second clear of the field. Conor will go to Las Vegas in October to attempt to also win the Snap on Stars of Karting TaG National title.

Conor Daly, son of former Formula One/Indy Car driver turned TV commentator Derek Daly, races for the Grand Products Top Kart team in the Stars of karting championship in addition to the Skip Barber Racing series. Conor races his karts exclusively on Bridgestone tires and is sponsored by Cytomax Performance Drink, INDECK Forsythe Racing, Pedigo Chevrolet, The College Network, Tom Lange Company and Alpinestars.
